## HER RIGGING SOLID IRON

MODERN IMPROVEMENTS ON THE  
OBED BAXTER.

Wire and Ropes Give Place to Bars of  
Metal—A New Thing in These Waters.  
Sailors Like It.

The American bark Obed Baxter,  
which is at Irigard's wharf,  
is an iron rigged vessel, a novelty in  
these waters, and she has attracted  
much attention among shipping men  
and mariners in port. In place of the  
wire or rope that nearly all vessels have  
the Obed Baxter has from bow to stern  
almost altogether solid iron, which is  
said to be the best rigging in the world.

In order to avoid too much rigidity  
the iron is not in long continuous bars  
but has joints or links at intervals of  
about eight feet. This arrangement  
makes the rigging give way just the  
necessary amount under pressure of  
the wind and at the same time there  
is no danger of too much yielding or of  
breaking.

The Obed Baxter's rigging is also bet-  
ter than the old style in that it is much  
easier for the crew to work with. The  
sailor who has had to go aloft amid  
rigging of rope knows that it is very of-  
ten a difficult task in rough weather  
and that a good deal of time is lost.  
Wire rigging is only slightly better, but  
to climb upwards on the Obed Baxter  
is almost like scaling a firm iron lad-  
der and the sailor is always able to run  
up without loss of time.

The tars who labor on the Obed Bax-  
ter consider themselves lucky in get-  
ting their berths. She is a trim little  
bark, a good sailer and one of a few  
sailing vessels that have so far adopted  
the latest thing in rigging. Many of  
the men among her crew, old sailors  
though they were, had never seen an  
iron rigged vessel till they boarded her.  
She is said to be the first one to sail into  
this port.

The Obed Baxter is from New York  
and brought a cargo of fertilizer here  
for the Hawaiian Fertilizer Company.  
She is owned by a New York firm. Her  
captain is L. C. Sweeney.

## NATIVE CHURCH RALLY.

Leeward Hawaii Churches Hold Large-  
ly Attended Meeting.

HOOKENA, September 18.—On Sat-  
urday last a rally and concert was held  
here participated in by the singing classes  
connected with the native churches of  
leeward Hawaii. The next day the  
annual re-union of the same churches  
took place in the large stone edifice that  
has, for many years, not been so crowd-  
ed as then. A full supply of cold  
food of all kinds, donated by residents,  
was partaken of by the church mem-  
bers, and many strangers—haole and  
native born—who had been drawn to  
the assemblage.

## MORE WINE AND BEER.

HOOKENA, September 18.—Sheriff  
Andrews has been in Kona this last  
week; rumor has it that another light  
wine and beer shop is to be opened  
mauka of Hookena.

The circuit court will hold a chamber  
sitting at Kailua at the end of the pres-  
ent month.

## NEW HAWAII PLANTATION.

HOOKENA, September 18.—It is un-  
derstood that a sugar plantation—the  
third of the Kona's—is to be inaugu-  
rated in the central part of the district.  
It will have some of the very best plow-  
able land included in its area.

## IN KONA.

HOOKENA, September 18.—Individual  
planting of cane continues and seed  
cane is in much demand.

Rains have again been frequent and  
the roads are getting in bad shape.

## RIO NOT COMING.

The S. S. City of Rio de Janeiro has  
been chartered as a United States army  
transport. No other vessel has been se-  
cured by the steamship company to take  
her place and her trips will be omitted  
from the list.

The Great Medicine that Gives  
Nerve Strength

Hood's Sarsaparilla Makes the  
Blood Rich and Pure, Creates an  
Appetite and Restores Health,  
Vigor and Vitality.

"I feel that I ought to write a few  
words in praise of Hood's Sarsaparilla,  
which has done great things for me. I  
was in a delicate condition and was sick  
at my stomach and constipated. I tried  
remedies highly recommended for female  
weakness, but the medicines brought  
on other troubles. I was so weak I  
could not attend to my household duties,  
and I then determined to try Hood's Sar-  
saparilla. After I had taken this medicine  
a short time I began to gain strength. I

until I was able to work all day without  
any inconvenience. I have taken Hood's  
Pills for constipation, and I am better to-  
day than I have been for five years.  
Since taking Hood's Sarsaparilla and  
Hood's Pills I feel rested in the morning.  
I am less nervous and am sure I have  
richer and purer blood. I have always  
been bothered with scrofula, but now I  
am rid of it. Before my last child was  
born I took Hood's Sarsaparilla, and  
my girl baby was fat and strong, while  
my other child was not well and lived  
to be only two years old." Mrs. E. P.  
DEAL, Box 419, Missouri Valley, Iowa.
